

Narrow stile lock for aluminium doors

Codelock has an exciting new product to add to their range of mechanical locks. This product is exclusively for aluminium doors and extends Codelocks expertise to a new market.

Ideal for new or retrofit applications

Everything in the box - The narrow stile lock is a total boxed product and does not require any extra parts or components to fit the lock to the door. Full installation and code instructions are included in the pack for easy set up and ongoing reference.

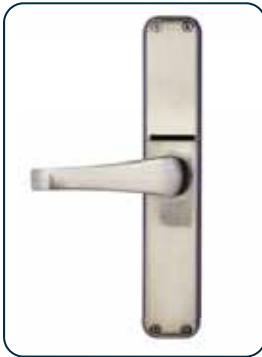

- ✔ Designed to work with Adams Rite narrow stile lock cases
- ✔ Non handed: Lock will fit doors hung on the left or right
- ✔ PVD weather resistant stainless steel finish
- ✔ Manage entry by code / key / code free operation
- ✔ Retract latch by key
- ✔ Lock out code users by key
- ✔ Easy code change
- ✔ Over 8000 different code options
- ✔ Full size lever handle
- ✔ Ball knob option available
- ✔ Easy installation
- ✔ No maintenance required
- ✔ Codelocks lifetime Guarantee
- ✔ Codelocks full technical support

The functions available allow for various ways of managing entry by code, by key and by 'code free' operation.

There are 4 variations of the lock:
